DEW offers opportunities for growth, an attractive salary, a comprehensive benefit package and an environment that promotes personal and professional success. DEW is an equal opportunity employer. We have an immediate opportunity for a*

### **Licensed Mechanic – Ottawa**

We require a mechanic to perform vehicle modifications, conduct safety checks and perform repairs on military vehicles. Qualified candidates must have either a Truck and Coach Ontario License (310T) or have obtained a QL5 (or better) Vehicle Technician certification within the Canadian Military. The ideal candidate will be well organized with demonstrated communication skills and be a team player.

We look forward to hearing from qualified candidates by email at [mycareer@dewengineering.com](mailto:mycareer@dewengineering.com) or by fax 613-736-1348. Please state the position for which you are applying in your subject line.
